From Isolation to Sangha

BY REV. HARRY GYOKYO BRIDGE

I DIDN'T USED TO BE A people-person. I was an only child and, for various reasons, by the time I was a teenager I was very introverted and shy. If you have met me, do I seem that way now? I personally think that I have changed a lot since then - I started coming out of my shell in college, and discovering Buddhism and studying

to become a minister definitely had a strong impact on me.

I remember working at Starbucks after college and thinking one day, "I like people." It was an interesting thought - Starbucks can be a very stressful work environment, and dealing with the public in retail and food service can be challenging to say the least. But even with

the difficult people - er, "characters" - this realization that I genuinely liked "people" was kind of fascinating. I was supposed to be a loner, an introvert, an outsider. What had changed? And why?

Looking back now, the most important factor was my engagement with Buddhism. It helped me to be

Co-Presidents' Message

BY JON TAKAGAKI & STEVE TERUSAKI

JON AND I WANTED TO START off our August message by thanking the entire Sangha for their dedicated efforts and solid support in making this year's BCO Bazaar and Food Festival another roaring success. We wish to extend a huge thank you to the planning committee, shift captains, the Sangha and friends of the Sangha for

volunteering for our Bazaar and Food Festival. It is everyone's continued commitment that contributes to the success of our event and which makes our BCO community so special. A special acknowledgement goes to **Jon Takagaki**, who again stepped forward as chair of the Bazaar and Food Festival and so capably balances all the

competing demands that come with putting on this event. Kudos to Jon!

As this writing is happening at the end of June, Jon and I would also like to congratulate our recent high school and college graduates who were honored at the Graduation Service at the beginning of June. We wish each

UNDER THE ABLE DIRECTION OF RENIE YOSHIDA GROHL, and with the many volunteers' assistance, we are progressing quite nicely in our knitting department preparing for the upcoming fund raiser to be held a few month hence. It feels great to see everyone working so hard with much enthusiasm helping us to make this fund-raiser a success. Thanks to everyone for your assistance.

Looking ahead, we do have some events upcoming, the dates to be announced as soon as they are confirmed. However, we do have one interesting event scheduled for Thursday, October 18. **Dr. Ajitha Nair**, Podiatrist, Oakland, will be the guest speaker. Her topic will be on "Fall Prevention". It should be of interest to all, both young and old especially as we age. ■

more aware of what I was going through, my various relationships, my own actions, my reactions to others, and so on. Of course, it is very difficult to be aware of all of these different aspects of life as they are happening. That is why self-reflection is important. But I'll go out on a limb and say that interaction with others is as important as self-reflection. Without engaging in the various relationships we find ourselves entangled in, whether briefly or lifelong, we may forget to reflect on our actions. Or worse yet, we may find ourselves trapped inside our minds, trapped in our habits.

I am writing this a few days after

our Bazaar & Food Festival, and you are probably reading it a few days before our Obon Festival. One of the most important aspects of both of these events is the fact that we get to work together, as temple members and volunteers but more importantly as Buddhists. Being in the world like this is part of the experience of being part of the Sangha, the Buddhist community, the third of the Three Treasures that we recite. It doesn't mean that everything becomes perfect and there is no more conflict - instead, we are able to face the challenges we encounter knowing that we are not alone, for we can go to the Buddha, Dharma, and Sangha for refuge. ■

them much success on their journey to new horizons. Remember to stay plugged in and connected to both BCO and BCA. There are new efforts at the BCA-level to connect youth and young adults; and through the Center for Buddhist Education there are frequent seminars and events for your continued learning after Jr. YBA and Dharma School. And, if you're in a location near a BCA temple, take the opportunity to walk-in and introduce yourself. You'll be amazed at how connected you are to these Sanghas.

As this is the August Busshin, it is Obon season at BCO. Dance practices begin in July for three weeks prior to the Obon Festival, so mark your calendars and dust off your uchiwa, folding fan, tenugui, and katchi-katchi's and come out to refresh your dance-steps. Our Obon Festival is on Saturday, **August 4th** and we expect to have another great turn-out by our BCO members and the community at large. Food, live music, cultural events

and displays will be followed by dancing in the street in front of the Church at **7:30 pm**. Get your kimono, yukata and happi coats ready for another great time.

Robert Noguchi, as Festival Chair, has been working behind the scenes to ensure that preparations are all in place. Work shifts were published in last month's Busshin. It is critically important for you to review those work shifts and let the church office, or the shift captain know if there are conflicts with your schedule. It is easier to proactively "plug" holes in the shift schedule than finding out someone is not showing up at the time of the shift. Also, if for some reason you are NOT listed, and have the time to come out and help, your efforts will be greatly appreciated. There are many areas that need your help, including the construction and deconstruction of the yagura and odori area on Jackson Street; and kitchen help for food preparation and clean-up, so please contact the Church Office.

Please consider honoring your loved ones by hanging a lantern tag from one of the red lanterns that will adorn the dance area on Jackson Street during the Obon Odori. Forms are again included in this month's Busshin and are requested to be returned to the Church Office by Monday July 30th.

Sunday, August 5th is the religious observation of Obon with the Hatsubon and Obon Services beginning at 9:30 am. The Hatsubon Service is a special service for families who have lost a loved one since last year's Obon. The main Obon Service follows at 10:30 honoring all our loved ones who have entered the Pure Land. The Festival and Odori are fun activities but listening to the dharma to understand why we make this special effort every year is at the essence of Obon.

Again, Jon and I thank everyone for all that you do to support the Church and our Sangha. In gassho. ■

BUDDHIST CHURCH OF OAKLAND

31st ANNUAL BENEFIT GOLF TOURNAMENT

Dear Members and Friends:

The Buddhist Church of Oakland is proud to sponsor its 31st Annual Benefit Golf Tournament to be held at the **Berkeley Country Club** (formerly Mira Vista Golf & Country Club), 7901 Cutting Boulevard, El Cerrito, CA 94530. It returns back to this iconic location in August again. It will be on **Monday, August 27, 2018**.

We are, once again, offering corporate sponsorships to invite local community organizations, companies or individuals to further participate in the church's programs including community outreach. Three levels of **corporate sponsorship** are available. Each level provides corporate representatives to participate as well as opportunities to identify your company or business in our program and at the golf course.

Other opportunities include providing a donation that could be used as a **raffle or door prize**. We also ask you to consider supporting this fundraiser by being a **hole-sponsor** for the tournament. In recognition of your monetary donation of \$100 or more for the hole-sponsor, a sign advertising your business or your personal sponsorship will be displayed at one of the 18 tee areas and will be acknowledged in the printed program. The proceeds of this tourney will go towards addressing the many maintenance challenges that are in many cases long overdue at the church.

A list of the types of sponsorships and donations are on the second page. In order for your donation to be properly acknowledged in the program, please complete and return the form on Page 2 to the Buddhist Church of Oakland by **August 13, Monday**.

It is with deepest gratitude and appreciation to the many participants and donors over the years that we are able to continue having this annual event. Your consideration of supporting this event is greatly appreciated. Thank you very much.

Sincerely,

Keiju Terada, Committee Chair
